

## Introducing Our New Company Structure Providing Superior Service & Products

### COMPANY SETUP

Our new company operation will be located in the three main centres of New Zealand. Christchurch will remain our head office with new branches in Wellington and Auckland. Further to our warehousing services, we provide a service of experienced representatives who are regularly in your region and contactable at any time to assist you with any waterproofing challenge.

### INTRODUCING OUR STAFF

#### Jeff Fitness (Managing Director)

- Jeff has had over 12 years experience in the manufacturing, installation, sales and technical support for membrane waterproofing. Jeff also has many years experience of company operations and successful management which proves an invaluable skill to bring to the company. Jeff's drive is to provide ongoing the highest service, product range and quality to our customers as we possibly can.

#### John Stallard (Technical Director)

- John brings us over 40 years experience in the range of waterproofing products we offer. Originally as a trained qualified installer, John brings these expertise and experiences into his role as a technical director. John is also a qualified ITO assessor in many of the products.

#### Anthony Suen (Auckland Area Manager)

- Anthony is a valuable long serving member of our company. Originally from Singapore and from running his own successful waterproofing company, Anthony brings both practical and valuable business and waterproofing experience.

#### Gary Marriott (Customer Services Christchurch)

- Gary has had over 30 years experience in the manufacturing, sales and logistics of rubber and membrane waterproofing. Gary's technical experience and customer service focus ensures our valued customers receive the highest level of support.

#### Chris Knowles (South Island Area Manager)

- Chris is one of our recent additions to the company. Chris's drive and enthusiasm is a welcome refreshment to our customers and team. Chris brings with him a fresh drive coupled with his experience gained whilst working with our team and an unbeatable need to assist our customers no matter the effort required.

#### Chris Withers (Lower North Island Area Manager)

- Chris has recently joined us from completing a successful business venture. Chris brings with him the experience of business operations and also has valuable experience in the waterproofing industry. Chris's technical experience will be welcomed by our customers and specifiers.

#### Corrina Purkiss (Administration Christchurch)

- Corrina's administration skills and customer service are highly valued within the company. Corrina's drive to assist the customer perfection that ensures our company and transactions between our customers operates smoother.

#### Stephen Mason (Auckland Customer Service & Logistics)

- Stephen's experience as a warehouse person has been fully trained in the best methods to service our customers as well as assist you with any of your waterproofing needs.

All of our team are focussed on our customer service. Please feel free to contact us at any time for any of your waterproofing needs. If we cannot help you, we will make sure we either find the answer or we aim to try to give you another contact or avenue to your solution.

### PRODUCT RANGE

Our product range is amongst the most extensive range that is available through one single supplier in New Zealand. From underground to interior and exterior waterproofing, liquid, sheet, adhered or torched, we will be able to provide you with a solution to your waterproofing requirements.

### PRODUCT WARRANTIES

We are pleased to advise that all warranties covered by Waterproofing Solutions Ltd and Waterproofing Systems Ltd will be honoured by the new Waterproofing Systems Ltd. All current warranty details will be transferred to the new company. Our company and our suppliers pride themselves in the ongoing support and performance of the product for its warranted period.
